The Trusts 2027 Vision shows our commitment to *Inclusion, Local Community, Collaboration and Difference*. These values are integral to celebrating, growing, and embedding Equity, Diversity

and Belonging throughout our Trust and will enable us to realise our strategic aims of:

- **Christian Distinctiveness and Character Education** – In LDST, to live our Christian values is to welcome everyone. We seek to help our pupils grow into future citizens who value and respect difference and the benefits that inclusion brings to our society.
- **Excellent Education** – In order to deliver a full and well-rounded education for the children in our care, the curriculum in our schools must reflect the lived-experiences of the communities that we serve, and those of wider society. Our colleagues cannot deliver excellent teaching unless they truly understand the future challenges and opportunities that our pupils will face as members of diverse communities and wider British society.
- **Achievement for All** – We are steadfast in our aim to overcome disadvantage, for our pupils, colleagues, and wider communities. We will do this by raising aspirations, educating people throughout our schools about the opportunities available to them and giving them the tools to fulfil their potential, regardless of individual capabilities or barriers to learning.
- **People** – We strive to become an employer of choice, not only in the education sector but across the Diocese. We will achieve this through our People Strategy which will give our colleagues the very best employment experience, irrespective of their age, carer status, disability, gender identity, pregnancy or maternal status, marital status, race or ethnicity, religion or belief, sex, sexual orientation, social class, or trade union membership.

Our School values and respects difference and meets its obligations under the Public Sector Equality Duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

In meeting these duties, we will have regard for the equal treatment of people based on the Equality Act's nine protected characteristics and will also have due regard to the way in which policies and strategic decisions can reduce inequalities of outcome which result from socio-economic disadvantage
