Sport Provision

A diverse range of sports clubs are on offer to pupils of all ages and abilities. In 2019-20, in the autumn term alone, 85% of KS2 attended extra-curricular sports clubs. We ensure that children have the opportunity to try new sports such as golf, orienteering, basketball, dance, hockey, gymnastics, circuit training, handball and fitness. We provide early morning cross country, swimming training and fitness clubs for various year groups throughout the year.
