

The current procedures for reporting Domestic Abuse incidents to schools can involve a lengthy delay in the transfer of information, which means that our children are left without the support and nurture that they need when they need it most. Operation Encompass has been created to address this so that by 9am on the next school day the school's Key Adult will have been informed that the child or young person has been involved, heard or witnessed a domestic incident. This knowledge, given to schools through Operation Encompass, allows the provision of immediate early intervention through silent or overt support dependent upon the needs and wishes of the child.

At Halewood C of E Primary School our Key Adults are Mrs O Coleman, Designated Safeguarding Lead and Mrs S Davidson, Deputy Designated Safeguarding Lead.

If you have any questions about Operation Encompass, please do not hesitate to contact us.
