

LDST Promise Mapped to the DfE Enrichment Framework Categories

The DfE framework expects a broad enrichment offer to include five categories:

Civic Engagement

Arts and Culture

Nature, Outdoors and Adventure

Sport and Physical Activities

Wider Life and Future Skills

Activities can overlap, so each Promise activity has been assigned one **best-fit primary category** for counting, with secondary links noted where useful.

The mapping draws on the Love, Discover and Serve activities in the LDST Promise Booklet; *Thriving Together* runs through the whole offer.

Summary of Primary Category Coverage

DfE Enrichment Category	Number of Promises
Civic engagement	11
Arts and culture	2
Nature, outdoors and adventure	6
Sport and physical activities	1*
Developing wider life and future skills	4
Total	24

* **Health Heroes** only securely counts towards the sport and physical activity category where the planned activity includes regular, purposeful movement or fitness.

As currently worded, it is more broadly a health and wellbeing activity.

The DfE non-statutory guidance expects all five categories to be available within a broad, regular enrichment offer, so the Promise works best as the shared entitlement within a wider school offer of sport, music, performance, visits and clubs.
